Please join Franklin Soil and Water for our 71<sup>st</sup> Annual Meeting and Board of Supervisors' Election on September 28<sup>th</sup>, 2017 at The Boat House at Confluence Park. We invite you to enjoy an evening of networking, a silent auction, food and drink, and our conservation awards ceremony.

Franklin County residents and landowners 18 years of age and older, as well as firms and corporations that own or occupy land in Franklin County may cast a vote for new members of the five-person, publicly elected Franklin Soil and Water Board of Supervisors. Election rules and applications for absentee ballots can be found on our website.

All profits from the annual meeting and proceeds from the silent auction go to our Conservation Fund, which supports student, landowner and community conservation projects throughout the county.
