

## Laboratories Information List

People frequently ask the Franklin Soil and Water Conservation District staff for names of contractors who work in the Franklin County. This list includes contractors who will work in Franklin County. We do not encourage or discourage the use of any specific contractor for conservation work. Landowners are encouraged to request references and check out the references prior to hiring a contractor to do improvements to your property.

All programs and services of the Franklin Soil and Water Conservation are open to everyone regardless of race, religion, sex or national origin. Contractors who wish to be added to the list should contact the Franklin SWCD office at 614-486-9613.
