

# Central Ohio Stormwater Roundtable January 20, 2022

---

## MCM 6: Good Housekeeping & Pollution Prevention

The recording of the live event can be accessed through our YouTube Channel at: <https://youtu.be/joVw3Eow7f4>

### Files/Documents/Website Links

- Current MS4 Permit (OHQ000004)  
[https://epa.ohio.gov/static/Portals/35/storm/OHQ00004\\_Final%20Permit.pdf?ver=mrVhmHYoG81hr4rzo\\_WmiQ%3d%3d](https://epa.ohio.gov/static/Portals/35/storm/OHQ00004_Final%20Permit.pdf?ver=mrVhmHYoG81hr4rzo_WmiQ%3d%3d)
- Red-Line MS4 Permit with Dave's comments (shown during the presentation)  
<https://www.franklinswcd.org/documents/roundtable-1-20-2022>
- Industrial Stormwater General Permit information can be found at <https://epa.ohio.gov/divisions-and-offices/surface-water/permitting/industrial-storm-water--general-permit>
  - Sections 4 and 5 cover Inspection & SWPPP requirements.
  - Current Industrial Permit (OHR000006) expires May 31, 2022
    - OEPA is holding a virtual public information session to review the new draft permit (which can be found on the main Industrial Permit website). **Virtual meeting will take place January 27, 2022.** Learn more and register at <https://epa.ohio.gov/about/media-center/events/draft-gp-npdes-industrial-stormwater>
- Sample Quarterly Inspection Forms can be found on our website  
<https://www.franklinswcd.org/documents/facility-swppp-resources>
  - Good, Better, Best approach to facility inspections.
    - **Good** = 1 facility inspection per year (bare minimum)
    - **Better** = 4 facility inspections per year, with one of those being conducted during a wet-weather event (**OEPA recommendation for MS4s**)
    - **Best** = 4 facility inspections per year, with one of those being conducted during a wet-weather event + 4 visual inspections of stormwater discharge (this schedule follows industrial permit requirements as outlined in sections 4 & 5 and doesn't require much additional time; especially if you conduct all your quarterly inspections during wet-weather events.) *\* this is the schedule I would personally recommend.*
- Review your facility swppp once per year with staff and make edits if there have been any changes.
- Need help preparing/editing a swppp? Contact Brooke for assistance [bfrusher@franklinswcd.org](mailto:bfrusher@franklinswcd.org)
