

Contribution Opportunities Chart for the *Franklin Soil and Water Conservation District Conservation Stewardship Fund*

Purpose: To raise funds for conservation projects targeted to improving water quality for the benefit of wildlife, recreation and drinking water. While focused on water quality and rainwater runoff, these projects will also benefit wetlands, forestry, carbon offsets, pollinators, native plants, and bird populations throughout Central Ohio. Projects will be targeted to reduce and treat water runoff before it reaches our streams.

Because this fund is managed by the Columbus Foundation, contributions are made to a 501c(3) fund. Please check with your tax advisor.
