Join us for our 73rd Annual Meeting and Board of Supervisors' Election, September 19th, 2019 at Franklin Soil and Water Conservation District. The event is open to all partners, communities, residents, and landowners to come together and "plant the seed for conservation"! The evening will include networking, a silent auction, food and drink, and our conservation awards.

You may also cast your vote for one new member of the five-person, publicly elected Franklin Soil and Water Board of Supervisors. Election rules and applications for absentee ballots can be found on our website: www.franklinswcd.org/board-of-supervisors-election

All proceeds from the annual meeting and the silent auction go to Franklin Soil and Water's Conservation Fund, which supports student, landowner and community conservation projects throughout the county.
